The design of the Baldwin Park Medical Center offers patients an environment that aids in the healing process. Situated in a park-like setting, the medical center uses water and natural landscape elements to create a peaceful atmosphere for patients, visitors, and staff. Inpatient services include the Adult Hospital Care Unit, Anesthesiology, Critical Care, Emergency, Surgery, and a Birth Center that houses two operating rooms and features a 20-bed NICU, 12 labor/delivery/recovery rooms, and a family-oriented postpartum center. Outpatient services include Addiction Medicine, Allergy, Audiology/Speech, Cardiology, Dermatology, Diagnostic Imaging, Endocrinology, Head and Neck Surgery, Family Practice, Gastroenterology, General Surgery, Health Education, Hematology, Infectious Disease, Infusion Center, Internal Medicine, Laboratory, Nephrology, Neurology, Nuclear Medicine, Obstetrics/Gynecology, Oncology, Ophthalmology, Optometry, Orthopedics, Pathology, Pediatrics, Pharmacy, Physical Medicine, Physical Therapy, Podiatry, Psychiatry, Pulmonary, Respiratory Care, Rheumatology, Urgent Care, and Urology.

The Diamond Bar Medical Offices opened in June 2008, providing Family Medicine, Ob/Gyn, and Pediatric Care. The new facility will also offer pharmacy, lab, and radiology services.

The surrounding area is noted for its prestigious institutions of higher learning, including the California Institute of Technology, the Claremont Colleges, and California State Polytechnic University, Pomona.
