

San Joaquin Community Hospital

San Joaquin Community Hospital is accredited by The Joint Commission

Kaiser Permanente Kern County members can access a range of services at San Joaquin Community Hospital (SJCH) in Bakersfield. This hospital is a full-service general acute hospital with emergency, medical, surgical, intensive and critical care, obstetrics, and diagnostic imaging services.

Investing in a healthy future

The newly built five-story tower is an \$80 million hospital expansion change:

- Increasing the number of patient beds to 255
- Increasing the percentage of private rooms to 80 percent
- Bringing the entire hospital up to California’s seismic standards
- Adding eight new state-of-the-art surgical suites
- Tripling the size of the Emergency Department
- Tripling the size of the maternity care center—can now handle 3,600 deliveries per year
- Building a new 392-space parking structure—now has a total of 700 covered parking spaces
