By the numbers

Approximately 266 physicians provide care at the Kaiser Permanente Panorama City Medical Center, which features the first full-service hospital to open in the San Fernando Valley in 14 years. The facility has:

- 218 beds
- 24-bed neonatal intensive care unit
- Onsite occupational health center
- 80% private rooms
- 13 labor & delivery suites

Delivering 21st century care today

The first hospital in Southern California to implement potentially lifesaving medication-bar-code scanning, Panorama City Medical Center offers members safer care in a high-tech environment. The 400,000-square-foot hospital features Kaiser Permanente HealthConnect®, a secure, highly sophisticated electronic health information system that's accessible in every patient room and at all nurses' stations. Also in the new facility are 10 operating rooms, each equipped with high-definition cameras to assist highly skilled surgical teams.

Recognized for groundbreaking childhood obesity program

Alarmed by local childhood obesity rates a multidisciplinary team at this facility developed a comprehensive, family-based lifestyle improvement program. Kaiser Permanente's Kids in Dynamic Shape (KP KIDS) earned an Innovation Award from the National Business Coalition on Health, and is now in place at 19 Kaiser Permanente hospital, plus many community centers and schools.

Smart planning creates comfort and convenience

Thoughtful design, comfortable furnishings, and inspiring artwork help our expert caregivers maintain a restful environment. Spacious visiting areas give friends and family relaxing places to gather. And each private room is family friendly, featuring a sleeper chair for overnight stays.
