## By the numbers

Serving approximately 272,000 members, our Riverside Medical Center offers a variety of convenient services, including walk-in mammography, a flue clinic, specialized Latino care, and an occupational health center.

The facility has:

- 215 beds
- 140 labor & delivery beds
- Onsite occupational health center
- 400 physicians
- 24-hour pharmacy

## Raising the bar for specialized care

When special medical attention is required, we offer medical facilities where physician specialists focus on one particular area of medicine such as spinal surgery or cardiovascular care. At these centers, doctors and their teams perform high volumes of specialized procedures. Aided by the latest technology and research, these medical teams often break new ground as they work toward optimum results. Centers at this facility include:

- Lung volume reduction surgery (to control severe emphysema)
- Neonatal intensive care
- Pediatric surgery

## Easy communication with physicians and caregivers

Members have direct access to their doctors through Kaiser Permanente HealthConnect®, a secure electronic health record combined with sophisticated information management which coordinates and simplifies care. With KP HealthConnect, members can:

- E-mail their doctor's office
- Schedule routine appointments and refill prescriptions online
- View and print summaries of recent doctors' office visits
- Use expanded online self-care tools

## Farmers' market makes healthy eating easy

The Kaiser Permanente Riverside Farmers' Market sets up every Friday at the entrance to the main hospital, bringing the best and freshest products from California farms. And it's open to the public so members, employees, and local residents can stock up on healthy produce every Friday, year-round, 10 a.m. to 2 p.m.

Information in this flyer is accurate at the time of production.
